

**A bi-monthly newsletter for future GreenFields of Geneva Residents**  
March/April 2010

## WHAT'S NEW

Spring is in the air! Since you received the January/February issue of the *GreenFields Gazette*, we have welcomed 11 additional future residents to the GreenFields family. Please continue to spread the word about GreenFields of Geneva! Thanks to all of you “ambassadors” who have passed along referrals and actually brought your friends into the Third Street Gallery to learn more about GreenFields.

This month, we'd like to take the opportunity to personally thank **Leo & Marilyn Nelson**. Their referral has turned into a new resident. They will receive an **ADDITIONAL COMPLIMENTARY MONTHLY SERVICE FEE** when their referral moves into the community!

## A Message from Ronette

As many of you are aware, I am looking forward to the birth of my third child. The expected arrival date is April 1<sup>st</sup>. During the past nine months, I have had the opportunity to hear so many treasured stories, about the growth of your families. I have truly appreciated all of the wisdom and precious memories that you have passed on to me. It will be a joyful experience to introduce my new little bundle, to all of you, soon.

While I am out of the office, Susan Hanson will be filling in as Acting Marketing Director in my absence. Additionally, the GreenFields team will be available to assist you, if you have any needs or questions, while I am out of the office. Although I will still be on maternity leave, I will plan to attend the exciting groundbreaking event so I can celebrate the momentous occasion with all of you!

## Speaking of Celebration...

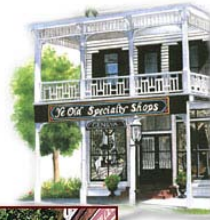

We know some of you have been waiting a very long time to celebrate the start of construction for GreenFields of Geneva. We are grateful for your continued patience and support. The good news is we are just about there! Many of you may have heard that we hit our official number to initiate the financing process in January. We are now in line for financing and anticipate that we will secure our bonds in May. Although the bulldozers will likely already be on the grounds, we will plan to celebrate the official groundbreaking event together on **Wednesday, June 16<sup>th</sup>**. More details will be coming soon, please be sure to highlight this important date on your calendar!

## We Could've Danced...All Afternoon!

An enthusiastic crowd of future residents gathered together on February 2<sup>nd</sup> at the Hotel Baker to socialize and enjoy a performance by The Ballroom City Dancers.

## Learn More About Geneva...

Plan to join us on April 7<sup>th</sup> as we gather for another future resident event, “Bricks and Mortar: Looking Back at Geneva’s History.” The event will be held in the Geneva History Center’s community room and feature two different sessions for your convenience. Depending on your schedule, you can choose to attend from either 10 a.m. – 12p.m., or from 12:30p.m. – 2:30p.m.

During this event, you will learn about Geneva’s rich architectural heritage and town history during an engaging “armchair” tour led by Margaret Selakovich, an educator at the Geneva History Center. Also, to give you a “taste” of what your future home town has to offer, lunch for either session will be catered in by local Geneva favorite, Josef’s Elegante Meat & Deli. Your invitation to this event should be arriving soon. Hope to see you there!
